

## OMNITRONIC LH-042 Line/Phono Converter

Passive stereo line/phono converter

Art. No.: 10355042

GTIN: 4026397341218

**List price: 35.58 €**

incl. 19% VAT.

### Description:

The LH-042 converts a line signal to a phono signal. What this is good for? Just imagine the following situation. Your working as a DJ and you have recently bought a new line source (a CD player, MP3 player or the like). Now you would like to connect it to your mixer, but the line inputs are already used. What to do? At this point it's time for our LH-042. Just plug it into a phono input and connect your additional line source to the converter: you've got one more line slot for your mixer.

### Logistic

EAN / GTIN: 4026397341218

Weight: 0,40 kg

Length: 0.23 m

Width: 0.14 m

Height: 0.08 m

### Features:
