Description:

Passive 2-way speaker pair with mount

The passive 2-way speaker pair C-50 by OMNITRONIC are powerful sound reinforcement speakers for permanent installation. Because of their clear, powerful sound they are ideal for restaurants, bars, discotheques or for your conference area.

The C-50 are equipped with 13 cm woofers and 2.5 cm dome tweeters. The trapezoidal construction offers a mounting in room corners. Alternatively, you can mount the speakers on the wall or ceiling using the swivel mounting bracket.

The speaker pair with robust ABS plastic housing and metal grille is available in black or white.

Features:

- Dedicated PA speaker system for fixed installations
- 2-way system with 13 cm woofer (5") and 2.5 cm dome tweeter (1")
- Trapezoidal cabinet for corner installation
- With Mounting bracket
- Scratchproof and shockproof
- For application areas such as: Trade fair and shop fitting; restaurants, bars and hotels; product presentations and lectures

Package contents

- 2 x compact cabinet speaker, 1 x user manual
