

OMNITRONIC DH-40 titanium 2x

Passive 2-way speaker pair with mount, 5" woofers and 35 W RMS

Art. No.: 11036756

GTIN: 4026397272123

The article is no longer in our assortment.

Description:

Small twin pack big in performance
Watch out! Because the first impression can fool you. This might also be the case with our loudspeaker. In spite of its small size, the performance of this representative device is absolutely great. The 2-way system has a clear and powerful sound at its disposal and is perfectly suited for decentral sound-surroundings in restaurants, bars or recording studios. As the DH-40 feels lonely when it is all alone we set a brother to its side that is included in the delivery contents. Both loudspeakers can convince with a lot more than just a small price. But it is best to make sure yourself.
