

**LAVOCE DN14.30TK 1.4" Compression Driver, Neodymium**  
110 W AES, 8 ohms, 108 dB, 500 - 20000 Hz

**Art. No.: 12602822**  
GTIN: 4026397706192

**Features:**

- For further information about this product, please refer to the Data Sheet under "Downloads"

**Logistic**

EAN / GTIN: 4026397706192

**Technical specifications:**

|                  |                                                                                                                                |
|------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Power:           | Program: 220W<br>Rated: 110W AES                                                                                               |
| Frequency range: | 500 - 20000 Hz                                                                                                                 |
| Sensitivity:     | 108 dB                                                                                                                         |
| Impedance:       | 8 ohms                                                                                                                         |
| Speaker:         | Compression tweeter highs 1.4" with neodymium magnet<br>Diaphragmmaterial: titanium<br>Voice coil compression tweeter highs 3" |
| Weight:          | 1.88 kg                                                                                                                        |

**Scope of delivery:**

1 x speaker
