### Description:

Are you planning a motto- or Halloween party and still looking for a stylish decoration for the appropriate, eerie atmosphere?  
Our Halloween sets in different variations and sizes are the ideal basis for your chosen theme. Ghosts, witches, pirates and matching accessories will inspire your guests.  
You determine the creep factor yourself.  
The animated pirate box is the central element of the Pirate Halloween Set. It moves back and forth on the ground as if by magic, a ghostly noise sounds and the LED eyes of the skull flash. The box is guarded by a dangerous looking pirate (hanging figure) with red flashing LED eyes and sound effect. A skeleton (hanging figure) and various skulls complete the set.  
The animated figures can be activated via integrated microphone and/or wired remote control.
