Description:

Flightcase Tour Pro

With the ROADINGER universal case, you can always transport your equipment and accessories safely and well stowed. The interior is lined with black foam, which protects your equipment from scratches and knocks.

The high-quality workmanship of the 7mm thick walls, the aluminium profile frame with rounded corners and the three-legged, medium-sized steel ball corners ensure stability.

The flight case Tour Pro has a robust carrying handle and also has two lockable snap locks.

Features:

- High-quality workmanship with plywood multi-layer glued 7 mm, white, laminated
- Interior with foam padding
cover with foam padding
- Aluminum profile frames 25mm with rounded edges
- Rugged carrying handle
- 3 chrome tip-over locks
- 2 high-quality spring locks with shut-off function

Technical specifications:

Maximum load: 25 kg

Aluminum profile frames: 25 mm
