
TITANEX Power Cable 3x2.5 50m H07RN-F

High-quality Titanex power cable

Art. No.: 3030697F

GTIN: 4026397568790

The article is no longer in our assortment.

Description:

Titanex power cables can be used as high-power cables for audio, light and heavy machines and are highly resistant to both extremely high and extremely low temperatures. These cables are highly flexible and very rugged due to their long-life polychloroprene sheath.

Features:

- Extremely reliable cable due to sheath made from polychloroprene rubber
- Very flexible due to fine cores
- For outdoor use
- Power cables for all kinds of electrical devices
- For audio and light applications
- For machines and farming devices
