incl. 19% VAT.

Description:

Colorful party fun

Amaze your guests with a Eurolite disco ball and its colorful light effects! This mirror ball has a diameter of 13 cm, rotates around its own axis with 5 rotations per minute and paints the room in red, green and blue lights.

Plug and play: The mirror ball does not require any preparation. All you have to do is plug it in, the rest works automatically. Thanks to the compact and lightweight design, you can take your new little LED disco with you wherever you go and place it in any location you like. The power adapter required for operation is, of course, included in the delivery.

Features:

- Low power consumption
- 18 powerful LEDs 5 mm R/G/B
- Control via on/off switch on device
- For application areas such as: Party room

Package contents

- 1 x mirror Ball, 1 x external mains adapter, 1 x user manual
