Description:

Decorative flame effect light

Use the EUROLITE FL-201 Flamelight at your next garden party or for your shop window as a decorative effect. The impressive decorative light simulates a blazing flame, which looks amazingly real and completely without heat development.

Two MR-11 lamps are already built into the decorative effect. The on/off switch directly controls the unit.

Features:

- Unique effect light with flickering flame
- Deceptively genuine
- 2 x MR-11 lamp already installed
- Control via on/off switch on device
