

ANTARI M-10W Stage Fogger

High performance fog machine with wireless DMX receiver

Art. No.: 51701911

GTIN: 4026397494587

The article is no longer in our assortment.

Features:

- Powerful and 3000 W fogger for stage and touring applications
- Wireless DMX receiver (WDMX) for wireless data transmission with 2.4 GHz eliminates irksome cabling
- Due to AFHSS (Automatic Frequency Hopping Spread Spectrum) technology, interference-free operation also alongside other wireless devices in the 2.4 GHz band (e.g. Wi-Fi and Bluetooth)
- Continuous output
- Rugged metal housing with carrying handles
- 10 liter tank capacity
- Removable tank, fluid level indication
- Low fluid detector
- Control via integrated DMX interface or supplied cable control module M-20
- Functions of the M-20: timer with interval, duration and output volume; DMX starting address; continuous output; manual activation
- Optional flightcase for rigorous touring applications
- Perfect for large clubs, concerts, movie productions, rental companies and industrial applications
