WLF-1500 Water Low Fog PRO

DMX machine installed in a sturdy case creates waterbased floor fog

Art. No.: 51701993 GTIN: 4026397649413

Features:

- No CO2 or dry ice is necessary due to ultrasonic technology, therefore inexpensive to operate
- Extremely easy to handle
- Integrated in a flightcase, makes the machine tough, durable and easy to carry
- Inner, essential components made of stainless steel
- Concentrated and steady fog output
- Adjustable timer with interval, duration and output volume
- Continuous output
- Very low fluid consumption rate
- Water drainage valve system allows for easy cleanup
- Short warm-up time
- Output distance: Approx. 2 m
- With level indication
- Operates on water-based fluid
- Removable, backlit tank
- Big tank capacity
- Control via DMX; wireless remote control; timer
