ANTARI HZ-350 Hazer
Powerful hazer with digital wireless control system and DMX interface

Art. No.: 51702685
GTIN: 4026397432893

List price: 1069.81 €
incl. 19% VAT.

Description:

The HZ-350 Hazer is a concession to customers demanding a reliable and comfortable radio control. Et voilà, the newly designed transmitter perfectly fits the hand and has an operating distance of up to 50 meters. That should be enough a distance for most applications. Its options with only two buttons (on/off) is kept easy with intent. Easy is the keyword, as the innovative LCD control offers a clear and uncomplicated structure. It allows users to set the hazer directly by just moving their fingertips. Simple - but convincing.

Features:

- Creates a fine, even and translucid haze without bursts of fog - perfect for accentuating lighting effects
- Continuous output
- Low-noise, maintenance-free air compressor
- Rugged metal housing
- Adjustable timer with interval, duration and output volume
- Continuous output with adjustable snow volume or manual activation with maximum snow volume
- The transmitter allows simultaneous control of an unlimited number of machines
- Instantly ready for use without warm-up
- With level indication
- Operates on oil-based fluid
- Control via wired remote control (optional); stand-alone; DMX; wireless remote control
- Monochrome LCD display
- For application areas such as: Clubs/dancing school; stage; theater; video and photography
- Application possibility: Standing
  remote control
