

ANTARI HZ-500 Hazer

Silent hazer in flightcase

Art. No.: 51702695

GTIN: 4719850651206

**List price: 2140.81 €**

incl. 19% VAT.

Description:

The HZ-500 ranks among the most powerful hazers on the market today. The HZ-500 is designed to provide creative and dramatic atmospheric effects and is ideally suited for light and laser beams. The HZ-500 is definitely the best choice for stage designers and performers searching for the perfect stage effect to meet the high-level expectations of their audience.

Features:

- Integrated in a flightcase, makes the machine tough, durable and easy to carry
- Produces dry and long-lasting haze with incredibly tiny particles that can be distributed through air further and faster and is ideal for accentuating light and laser beams
- Extremely low fluid consumption rate at 20 hours continuous output per liter
- Service-friendly metal net and filter in the intake hole prevents clogging
- Adjustable timer with interval, duration and output volume, continuous output, manual activation
- Control via stand-alone; DMX; wired remote control
- For application areas such as: Clubs/dancing school; Stage; theater; Rental
- Instantly ready for use without warm-up
- Operates on oil-based fluid
- Very quiet working noise
- Application possibility: Standing

Package contents

- 1 x device, 1 x user manual, 1 x power cord

EAN / GTIN: 4719850651206

Weight: 34,80 kg

Length: 0.59 m

Width: 0.46 m

Height: 0.46 m

Bulky product

Technical specifications:

Power supply:	230 V AC, 50 Hz
Power consumption:	480 W
IP classification:	IP20
Power connection:	Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided)
Warm-up time:	0 sec
Output volume:	Approx. 85 m ³ /min
Tank capacity:	2,5 l oil-based fluid fixed tank
Fluid consumption:	Approx. 0,8 ml/min
DMX input:	1 x 3-pin XLR (M) mounting version
DMX output:	1 x 3-pin XLR (F) mounting version
Control:	Stand-alone; DMX; wired remote control
Housing color:	Black
Color:	Black
Dimensions:	Width: 37,5 cm Depth: 51 cm Height: 35 cm
Weight:	32,05 kg
Noise classification:	Class 1 (very slight noise, suitable for noise-sensitive environments)
