

OSRAM LED KREIOS G1 white

LED Image projector Kreios G1

Art. No.: 51799333

GTIN: 4008321676146

The article is no longer in our assortment.

Features:

- The OSRAM KREIOS G1 is an LED gobo image projector designed for a wide range of spot lighting applications that require especially bright and crisp images. The high powered LED light source and dedicated optical system delivers a crystal clear outline of the gobo with a homogeneous distribution of light across the entire image. It is perfect for projecting messages, brand names and logos in retail stores, museums, airports, restaurants, bars, special events and other architectural environments. What makes this projector so special is that you may print your own gobos on transparencies or interchange them with standard size E gobos. The 120° tilt allow for mounting in any orientation on floors, ceilings and walls with projected distances ranging from 6 to 12 feet.
- The KREIOS G1 LED image projector comes in either black or white body colors and includes a mounting bracket, two gobo holders, sample gobos and a power cord. The gobo size is 37mm visible is a diameter of 30mm.
