Innovative Moving Head fog machine

Art. No.: 51843010

GTIN: 4026397267952

The article is no longer in our assortment.

Description:

Let's twist again!

Alright, it is probably not the wolf in sheep's clothing, but at least, it hides its true face at a first glance. Because this moving head is not a light emitting creature, but a fogger with the benefits of a such a device. This unit is not only able to produce a powerful smoke output, it also knows how to twist and turn. Moreover, the fogger has 8 built-in programs at its disposal, has no need for a special fluid and the number of scenes in Program Run can be modified at will. All that makes him a fast friend, especially for clubs or larger stages. Does not matter where the smoke is allowed to burgeon, it will definitely wow you!

Features:

- Smoke machine with powerful smoke output
- Ideal for large discotheques or large stages
- Powerful output
- No need for special fluid
- DMX-controlled operation or stand-alone operation with Master/Slave function
- 5 or 7 DMX channels selectable for numerous applications
- Timer-function in 7 channel mode
