

EUROLITE LED PAR-38 RGB spot,black, 10mm

The perfect little LED PAR spotlight

Art. No.: 51913604

GTIN: 4026397259902

The article is no longer in our assortment.

Description:

Little PAR very big!

You cannot reason the beauty of the blossom from the length of a peduncle. May sound quite philosophical, but this statement applies to our PAR-38 spot. Because despite its small physique it is able to create a really impressive performance - due to 75 LEDs. This spot is available in black or alu and can definitely be called versatile. Whether as backlight, at public places, in Clubs or in bars, the use will cause no problems. Just a LED facelift of the PAR spot.

Features:

- DMX512 control via regular DMX controller (occupies 5 channels)
- Sound-control via built-in microphone
- Color change speed and strobe effect adjustable via DIP switches
- Locking possibility at the mounting bracket
- For illuminating e.g. mirror balls, entrance or counter areas or as basic illumination
- Perfect in public places, main halls, stages, lounges
- Multi-color color changes
- Master/Slave function
- Advantages of LED technology: long life of the LEDs, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation
- Available in alu or in black

Technical specifications:

Power supply: 230 V AC, 50 Hz
