Description:

If you turn off the light, turn on the spots and add some smoke, you will experience an unbelievable light-effect. "Although" its LED-technique you will be convinced to see a laser, performing a show with its beams. This lightwonder is compact and it is fitted with 64 highpower LEDs, that are blessed with a very impressive brilliance. 25 programmes can be played over the control station. They "dance" to the music when they are told to do so. Compared to his laser-opponents the LED Mat-64 is cheaper, but as well as persuasive.
