### Description:

Portable and colorful? The BC-9 makes it possible!

This portable disco ball with integrated MP3 player, radio and loudspeakers by Eurolite is completely battery-operated and includes various preset programs to make your party a visual highlight. And at the same time, the 3-watt loudspeakers deliver a booming sound.

The particularly compact device comes equipped with six energy-saving LEDs in the colors red, green and blue covering floors, walls and ceilings in all desired colors. Enjoy music via the FM radio with storage space for 15 stations, a micro SD card slot, a USB port or the AUX input.

The modern LED technology makes the device so energy-efficient that it can be operated for up to six hours before having to be recharged with the supplied USB cable by a USB power source.

Thanks to the ultralight plastic enclosure, you can easily take this disco ball with you and set it up everywhere. The BC-9 gives you everything you'll need to get the party going. Just start the music and enjoy the great atmosphere!

### Features:
