Description:

Let there be light - in your garden!

Although, at first glance, they may look like lightsabers from the movie hit star-wars, they are still destined for very different and very peaceful purposes. Our neon sticks are to enlighten your garden, your driveway or the like with bright colors and thus creating a real unique atmosphere. Because unlike many other models this exemplar is also perfect for outdoor use. As the sticks, available in nine different colors and as UV version, are equipped with a ground spike, fixation is very simple. Just push the spike into the ground, plug in the connector and you're ready for take off. An extremely stable luxury-packaging secures a safe transport of the sticks, which can be ordered in two different lengths (70 or 134cm). When these outdoor neon sticks find a nice place in your garden, it will be an eye-catcher even at night!
