Art. No.: 70064859
GTIN: 4026397667479

List price: 16.07 €
incl. 19% VAT.

Description:

A simple way to power the "DXT DMX Pixel Converter PRO" while configuration on your PC.
There is no need for a seperate powersupply, just another spare USB port.
Do not connet an LED stripe simultaniosly to the 4pin connector, or your USB port may be overloaded.
Supplys only power! For the Configuration of the "DXT DMX Pixel Converter PRO" you will need an additional "USB-DMX512-Interface/Upload Adapter" (51860118)!
