Art. No.: 80710872

GTIN: 4026397302998

The article is no longer in our assortment.

Description:

No one will be misunderstood!
It is probably hard to believe, but concerning loudspeakers, it is not always about precise playback and high fidelity. Sometimes you expect a speaker to be especially rugged and resistant. Terms of reference our ELA horn series can fulfill. The horns are best suited for announcements, can be used outdoors and impress with their high sound pressure, wide frequency range and their attractive price. Depending on the place of action, you have to choose between the the different horns and the two different drivers - ED-60T and ED-100T.

Logistic

EAN / GTIN: 4026397302998
