**The article is no longer in our assortment.**

### Description:

The artificial ivy bush barrier of Europalms is perfectly suitable for greening boxes on balconies, terraces and conservatories. Even in larger arrangements it provides fresh greenery as a filling material. The individual loosely falling tendrils have different lengths and can be easily bent into shape. The dense green leaves are made of PEVA: This soft and elastic plastic is highly resistant to aging and is waterproof. A practical insertable stick enables quick decoration - even outdoors.
