Description:

Bring a piece of summer into your home or business premises with the artificial snapdragon from Europalms. The beautiful perennial consists of 5 flower stems with the typical slender, oval leaves and white flowers made of textile. It is delivered in a design container covered with artificial moss and is ready to use immediately. With just a few simple steps you can set floral accents. Herbaceous, strong flowering, with lush flowers in delicate shades of colour - these characteristics have made snapdragon one of the most popular bedding plants for many decades. It can be found in Mediterranean gardens, cottage gardens or typical farm gardens.
