

## EUROPALMS Halloween Pumpkin Illuminated, 18cm

Illuminated Halloween pumpkin

Art. No.: 83314238

GTIN: 4026397676747

### Description:

On Halloween, carved pumpkins are often placed in the front yard or in front of the door. In the sand-colored Halloween pumpkins of Europalms a smiling face is already carved. A red LED is attached to the centre of the floor inside the pumpkin and glows permanently when switched on by the ON/OFF switch on the battery compartment. A manual control by cable is also possible.
