### Description:

Are you still looking for a suitable decoration for your motto or Halloween party?

The animated standing figure "Pumpkin Man" from Europalms is a mixture of pumpkin and zombie with red glowing LED eyes. Even though he's dressed up in a frilly shirt, suit pants and vest, this doesn't hide his gruesome intentions.

His giant pumpkin head with oversized mouth and yellow, pointed teeth makes your blood run cold as he sets his sights on his victims with a devilish stare. He sways his body back and forth and loud groans and moans can be heard. His arms, with oversized bone hands, can easily be bent into shape.

The animation of the hanging figure is activated by built-in microphone or with wired manual control. Before commissioning, please ensure sufficient distance to other objects, as the figure moves independently.
