AZ-215 2-way top 200W

Enceinte à 2 voies haute performance

Réf. : 11038974

GTIN: 4026397325959

Caractéristiques:

- Rugged full-range top speaker in a stable wooden housing
- Trapezoidal housing shape for easy clustering
- Qualified for suspended installation
- Rotatable horn with coil driver for balanced sound
- With passive 2-way high-power crossover
- Powerful, dry bass via voluminous housing with bass-reflex system
- For applications requiring enhanced bass punch, we recommend a combination with a subwoofer
- Balanced frequency range with high sound pressure
- Very high durability
- Scratch-resistant lacquer surface
- Impact-resistant steel grille
- Can be used lying, standing, on a subwoofer, on a speaker stand or stand or suspended
- Very large amplification systems can be realized via several AZ-speaker-systems and the respective power amplifiers
- Ideal as PA system or amplification system for small and medium-sized discotheques
