

FUTURELIGHT DJ-LED Head Wash TCL

LED Moving Head washlight with Multichip LEDs

Réf. : 51839525

GTIN: 4026397341454

L'article n'est plus disponible.

Description:

Three at one blow!

Even if conventional illuminants are slowly but surely giving way to LEDs, in the Moving-Head arena they are still something of a rarity. For the FUTURELIGHT DJ-LED Head Wash TCL the ordinary LED technology is old hat, because it paves the way for a new innovation: Tri-Color LEDs. Most devices are not able to realize a real uniform color mixture at short ranges. Due to their multi-chip technology - here the LEDs close ranks - a homogeneous color mixture, even on short distances, is guaranteed. The colors are concentrated and therefore saturated. At the same time with the Tri-Color LEDs you can mix a pure white which isn't possible in this way with conventional RGB LEDs. And now imagine these saturated colors with the washing effect - A result that definitely stands out from the mass of other washlights and moving heads.

Logistique

EAN / GTIN: 4026397341454

Poids: 8,15 kg

Longueur: 0.35 m

Largeur: 0.32 m

Hauteur: 0.40 m

Caractéristiques:

- TCLs (Tri-Color LEDs), behind every lens are 3 LEDs
- Through the close chip placement of the multichip technology, an exquisite color mix even with short distances to the illuminated surface is provided
- Equipped with 24 x 1.5 W multichip RGB LEDs
- Stepless RGB color mixture
- Long LED life
- Strobe effect with adjustable speed
- Fuzzy sound control: program continues automatically during periods without music or bass-beat
- DMX-controlled operation or stand-alone operation with Master/Slave function (up to 4 slaves)
- Sound-controlled via built-in microphone
- Positioning within 530° Pan and 280° Tilt
- Control board with 4-digit display

- Advantages of LED technology: long life, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation
- DMX control via every standard DMX controller

Données techniques:

Alimentation électrique:	230 V AC, 50 Hz
Puissance totale de raccordement:	120,00 W
Dimension:	Largeur : 32 cm Profondeur : 28 cm Hauteur : 34,5 cm
DMX channels:	8
DMX connection:	3-pin XLR
Sound-control:	via built-in microphone
Flash-rate:	18 Hz
LED number:	24
Dimensions (L x W x H):	280 x 320 x 345 mm
Weight:	7.2 kg
Spécifications juridiques	
Produit spécial:	Non destiné à l'éclairage de la pièce dans les ménages
Utilisation:	Éclairage pour effets de spectacle
