L'article n'est plus disponible.

Description:

Decorative wood shavings from Europalms complement your decoration both in the professional area of object design, decoration and floristry as well as in your private living space.

Set accents with the coloured real wood granulate and use it as cover for pots and plant troughs, as filling material for glass vases and plant bowls or as litter decoration for counter and table decorations. An attractive wood decoration for your plants.

The coloured wood shavings have a diameter of 30-50 mm and are supplied in a 5.5 litre bucket with a practical, reclosable lid.
