Description:

Design your winter decoration with Europalms snowflakes. Whether as a decorative element for your shop window or your home - there are no limits to your creativity. In contrast to real ice crystals, they do not melt at room temperature and are easy to combine.

The flakes punched out of snow fleece are available in three different sizes and B1 according to DIN 4102 flame-retardant.

Logistique

EAN / GTIN: 4026397643046

Poids: 0,01 kg

Longueur: 0.20 m

Largeur: 0.20 m

Hauteur: 0.05 m

Caractéristiques:

- Available in different sizes
- B1 difficilement inflammable
- Made in Germany

Données techniques:

Matériau:	Polyester
