OMNILUX®

UV lamp 250W R7s 500h

Cr  e une atmosph  re et vous fait  conomiser de l' lectricit   !

R f. : 89530005
GTIN: 4026397119374

Caract ristiques:

- Countless numbers of application possibilities
- Easy installation due to standardized R-7s-socket
- Very high light output
- Already existing a good number of years, the "black light effect" is still fascinating: white textiles and objects as well as fluorescent material brightly flash up in darkness!
- Only to be used with ballast resistor
- Dimmable
- Inflammable   chaud
