

## OMNITRONIC MCS-1250 MK2 IR Emitter

IR remote emitter for MCS-1250 MK2

Art.n.: 10452486

GTIN: 4026397544428

### Features :

- Operate your audio/video equipment in other rooms with your existing remote control
- The MCS-1250 MK2 wall controller picks up the signal from your remote control and the IR emitter sends the signal to the A/V component
- Supports all standard A/V components (HDD recorder, set-top box, satellite decoder and stereo) with an infrared sensor
- 3.5 mm jack plug for connecting the MCS-1250 MK2 amplifier

### Logistica

EAN / GTIN: 4026397544428

Peso : 0,02 kg

Lunghezza : 0.12 m

Larghezza : 0.02 m

Altezza : 0.01 m

### Dati tecnici :

Peso: 0,02 kg

### Contenuto della confezione:

1 x Trasmettitore
