

## OMNITRONIC DMS-1050 MP3 workstation

Tabletop CD-player

Art.n.: 10602425

GTIN: 4026397246308

### Descrizione :

There are lots of workstations on the market that are constructed in the same way as the DMS-1050. But the DMS-1050 has one essential advantage in comparison with its colleagues: Scratching in realtime without delay and time limit is possible. The pitching-functions are also outstanding. You can play the CD up to 100 % faster or slower. All adjusted sample-parameters can be memorized and recalled from up to 500 CDs, which keeps the CD from jumping, even during an earthquake. Sounds not that bad, does it?

### Features :

- For standard CDs 8 cm and 12 cm with conventional or MP3 format
- Scratch wheel for real turntable feeling
- Realtime scratch function without delay and time limit
- Sampler unit with 4 x 5 seconds sampler time
- All adjusted sample parameters can be memorized and recalled from up to 500 CDs
- Four cue point hotkeys, which can be recalled from up to 500 CDs
- Seamless loop function and reloop function
- Faderstart function
- Speed control range adjustable to  $\pm 4$  %,  $\pm 8$  %,  $\pm 16$  % or  $\pm 100$  % for CD only
- Main Tempo function
- Track buttons for selecting the track
- Stable 44.1 kHz S/PDIF digital output via RCA
- Search encoder
- The 10 second Anti-Shock buffer keeps the CD from jumping
- Comfortable operation due to well-structured front panel design, back-lit buttons, and large display
- Pitch adjustment via Pitchfader is displayed

### Logistica

EAN / GTIN: 4026397246308

Peso : 3,85 kg

Lunghezza : 0.41 m

Larghezza : 0.33 m

Altezza : 0.15 m

- With Faderstart function for controlling the CD player from the mixer
- Display switchable from track remain time to total remain time to track playback time and total playback time
