

OMNITRONIC MIB-01 Microphone Isolation Box

Portable acoustic box for high-quality microphone recordings

Art.n.: 60006299

GTIN: 4026397750706

Descrizione :

Perfect sound on the go

The MIB-01 acoustic box eliminates unwanted background noise and reflections, improving the quality of your microphone recordings in acoustically unfavorable environments. The lightweight aluminum housing is lined with sound-absorbing acoustic foam and features an adjustable mount for a microphone spider, as well as an adapter for tripods and microphone stands. The dual-layer pop filter in the front door helps to prevent popping and breathing noises. Additional features include smart cable routing and built-in supporting feet for use on a desk.

Features :

- Ideal acoustics for vocal recordings and podcasts
- Eliminates unwanted background noise and reflections
- Adjustable microphone arm for all types of mounts, clamps, shock mounts
- Doppellagiger Popfilter
- Interior with Imbottitura in schiuma
- High-quality workmanship with Alluminio , nero
- Adattatore da 3/8 pollici a 5/8 pollici
- Tripod and desk use
- The article is delivered pronto per il posizionamento
- Per campi di applicazione come, ad esempio,: Homerecording e studi
