Descrizione :

The life-size metal figures are the absolute eye-catcher of your winter and Christmas decorations. They have been lovingly handcrafted and each piece is unique. The high-quality workmanship is particularly evident in the elaborate details of each individual figure. Punctually at the beginning of the cold season, the snowman from Europalms has thrown himself into his shell: Equipped with his most beautiful Sunday coat, a warm scarf and gloves, he is well protected from the icy temperatures. A stylish cylinder rounds off the winter outfit. It welcomes your visitors with a friendly smile or supports the product presentation of your shop during the winter season.

The figure can be assembled in a few simple steps. A stable arch made of metal, which connects the two shoe soles from behind provides additionally for a stable stand and can also serve for further fastening.
